

# Enstone Parish Hall - Privacy Policy

## 1. INTRODUCTION

Enstone Parish Hall is a registered charity and is managed by the Enstone Parish Hall Management Committee (EPHMC). The EPHMC is committed to protecting your privacy and security in respect of any personal data we hold. This policy explains how and why we use your personal data, to ensure you remain informed and in control of your information. For the purposes of this policy the term 'supporter' means a person who is a member of the committee, enters into an agreement to hire the Parish Hall, volunteers their services to help out or fundraise.

Under the General Data Protection Regulations (GDPR), EPHMC ask its supporters to "opt-in" for marketing communications. This means you have the choice as to whether you want to receive these messages and be able to select how you want to receive them (email, phone, SMS or post). You can decide not to receive communications or change how we contact you at any time. If you wish to do so please contact Administration by emailing [admin@enstoneparishhall.org](mailto:admin@enstoneparishhall.org), writing to EPHMC Administration, Enstone Parish Hall, The Paddocks, Enstone, OX7 4AZ or telephoning 07391 231 304.

We will never sell your personal data, and will only ever share it with organisations we work with where necessary and if its privacy and security are guaranteed.

### **Questions?**

Any questions you have in relation to this policy or how we use your personal data should be sent to [admin@enstoneparishhall.org](mailto:admin@enstoneparishhall.org) or addressed to Administration, Enstone Parish Hall, The Paddocks, Enstone, OX7 4AZ

## 3. WHAT INFORMATION WE COLLECT

### **Personal data you provide:**

- We collect data you provide to us. This includes information you give when joining the Committee, entering into a hire agreement, volunteering or communicating with us. For example: personal details (name, email, address, telephone etc.) when you join the committee, hire the hall or volunteer.
- Information created by your involvement with Enstone Parish Hall
- Your activities and involvement with EPHMC will result in personal data being created. This could include details of how you've helped us by volunteering or being involved with our activities.
- If you decide to donate to us then we will keep records of when this gift was made and what it was for.

**Information we generate:**

- We may conduct research and analysis on the information we hold, which can in turn generate personal data. For example, by analysing your interests and involvement with our activities we may be able to build a profile which helps us decide which of our communications are likely to interest you.

**Information from third parties:**

- We sometimes receive personal data about individuals from third parties. For example, if we are partnering with another organisation (e.g. you provide your information to another charity we are collaborating with).
- We may collect information from social media where you have given us permission to do so, or if you post on one of our social media pages.
- Occasionally, we may collect information about certain supporters (e.g. particularly well known or influential people) from public sources. This could include public databases (such as Companies House), news or other media. We don't do this to everyone, and it is the exception not the rule.

**Sensitive personal data:**

- We do not normally collect or store sensitive personal data (such as information relating to health, beliefs or political affiliation) about supporters and members. However there are some situations where this will occur (e.g. if you volunteer with us or if you have an accident). If this does occur, we'll take extra care to ensure your privacy rights are protected.

**Accidents or incidents:**

- If an accident or incident occurs on our property, at one of our events or involving one of our committee members (including volunteers) then we'll keep a record of this (which may include personal data and sensitive personal data).

**Volunteer:**

- If you are a volunteer (whether for specifically EPHMC, or if you are helping us for other reasons - for example you work for another organisation which is running an event with us) then we may collect extra information about you. This information will be retained for legal reasons, to protect us (including in the event of an insurance or legal claim) and for safeguarding purposes.

**4. HOW WE USE INFORMATION**

We only ever use your personal data with your consent, or where it is necessary, in order to:

- Enter into, or perform, a contract with you.
- Comply with a legal duty.
- Protect your vital interests.
- For our own (or a third party's) lawful interests, provided your rights don't override these. In any event, we'll only use your information for the purpose or purposes it was collected for (or else for closely related purposes).

**Marketing:**

We use personal data to communicate with people, to promote the Enstone Parish Hall and to help with fundraising. This includes keeping you up to date with our news, updates, campaigns and fundraising information. For further information on this please see Section 6 (Marketing).

**Administration:**

We use personal data for administrative purposes (i.e. to carry on our charity work). This includes:

- Receiving donations (e.g. direct debits or gift-aid instructions).
- Maintaining databases of our volunteers, members and supporters.
- Performing our obligations under membership contracts.
- Helping us respect your choices and preferences (e.g. if you ask not to receive marketing material, we'll keep a record of this).

**5. DISCLOSING AND SHARING DATA**

- We will never sell your personal data. If you have opted-in to marketing, we may contact you with information about our partners, but these communications will always come from EPHMC and are usually incorporated into our own marketing materials.
- Occasionally, where we partner with other organisations, we may also share information with them (for example, if you register to attend an event being jointly organised by us and another charity). We'll only share information when necessary and we'll make sure to notify you first.

**6. MARKETING**

Under GDPR we ask our supporters to "opt-in" for most communications.

- This includes all our marketing communications (the term marketing is broadly defined and, for instance, covers information about events, activities & fundraising).
- This means you'll have the choice as to whether you want to receive these messages and be able to select how you want to receive them (post, phone, email, text).
- You can decide not to receive communications or change how we contact you at any time. If you wish to do so please contact Administration by emailing [admin@enstoneparishhall.org](mailto:admin@enstoneparishhall.org) or sending by post, addressed to Administration, Enstone Parish Hall, The Paddocks, Enstone, OX7 4AZ

***What does 'marketing' mean?***

Marketing means communicating to the local community and beyond what the Parish Hall offers including news and information about:

- Events, activities and local groups;
- Appeals and fundraising (including donations and also competitions, raffles etc.);
- When you receive a communication, we may collect information about you, respond to or interact with that communication, and this may affect how we communicate with you in future.

***Fundraising:***

As a charity, we rely on donations and support from others to continue providing a service to the local community. From time to time, we will contact members and supporters with fundraising material and communications. This might be about an appeal, a competition we're running, or to suggest ways you can raise funds (e.g. a sponsored event or activity). As with other marketing communications, we'll only contact you specifically about fundraising if you've opted into to receiving marketing from us (and you can, of course, unsubscribe at any time).

## **7. YOUNG PEOPLE**

### ***Photographs, pictures, stories on our website:***

We want young people to join in Parish Hall activities, and there are opportunities to share their photos, stories and pictures on our website.
